I hope this finds all members are doing well. The team at the post is trying to come up with ways to bring our post back to a family post. Please check your calendar as we are trying to have more entertainment for the family.

Also Mackey's kitchen is open during karaoke two times a week. You can help support the post with her and eat in or carry out. While you are waiting on carry out you can enjoy and participate in the karaoke, or have a nice cold beverage in the clubroom. We have bands twice a month now, we also have the WWE wrestling Pay Per View every month

We need membership to help by coming in and seeing what specials we have in the clubroom. If you have any suggestions or complaints, we have a meeting on September 8th. I would appreciate any input. Thank you for your service.

**FROM THE
LADIES AUXILIARY
PRESIDENT
Patty Gifford**

Greetings to all our Auxiliary members. We did not have a meeting in August. But our next meeting is Thursday September 10th at 7pm. I would like to make a personal invite to each member to come to our meetings. We need your input.

Measuring ALA's impact:

The American Legion Auxiliary, through its membership worldwide, impacts many people in a variety of ways. Here are a few measurements of how the ALA made a difference in just the last year.

\$3.6 million from poppies: distributed from donations to benefit veterans.
\$1.4 million in Scholarship: presented 2018-2019.
4 million hours: volunteered in serving veterans and military.

7.1 million hours: total volunteer hours
\$1.1 billion value: of members mission outreach
8,000 plus local units.
The support that Auxiliary members provide every day to American Legion programs on the community and national level is truly amazing.

We are collecting dues for 2020-2021. Seniors is \$25.00 Juniors \$7.00. If you have a daughter or granddaughter please sign them up. Please send your dues to the post or to Dorothy Jackson our membership chairman.

Sharpen your skills through online courses. For members who may want to learn the different ways their ALA membership can help in both this organization and their profession, the ALA Academy is available for free to members.

The online courses are a great way to think outside the box on ways you can utilize skills as a member, while also

sharpening skills that are applicable in your profession/career. Although the classes are designed and geared towards ALA membership, there are useful tips that can be applied to your job as well.

The online courses will help you learn a variety of skills for both areas of life such as how to use social media, more about leadership, goodwill towards others, and dealing with conflict. To take an ALA Academy class, www.ALAforVeterans.org.

I'm still looking for help to collect for poppies if we're allowed to collect this month. Please drop off your tabs at the post. I will be taking the money for Riley Children's hospital at the end of the month.

Hope to see you at our Sept meeting. Be safe and keep your family safe.

Patty Gifford ~ Auxiliary President
